Miracle Mineral Solution LAMOOL

Brand Story

“

Beneath the depths of the ocean lies the energy of marine minerals, accumulated over time.

LAMOOL began with this pure and soothing power.

We believe skincare should be more than a routine. It should bring comfort and a quiet sense of calm to your day.

Infused with clean, safe ingredients and the deep energy of the sea, our formulas help stressed complexions regain balance and restore their natural radiance.

By focusing on the skin's natural balance, we support its ability to recover strength and vitality.

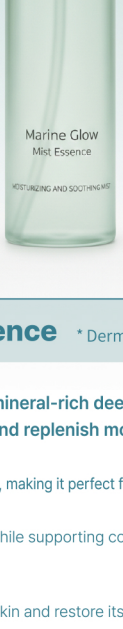

Hydrated and comfortable throughout the day. A soft, luminous glow that rises from within.

LAMOOL creates a radiant moment where every skin can feel safe, cared for, and beautifully at ease.

”

LAMOOL

* All LAMOOL products use mineral-rich marine bedrock water as a base.

Marine Glow Mist Essence * Dermatologically tested for sensitive skin

An essential mist toner infused with mineral-rich deep sea bedrock water and marine plant PDRN. It helps soothe redness and replenish moisture, leaving skin calm, hydrated, and naturally radiant.

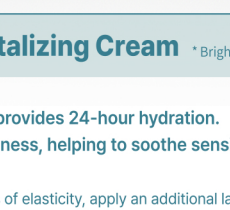

* The ultra-fine mist gently adheres to the skin, making it perfect for refreshing and hydrating even over makeup.

- 1. Patented Marine Plant PDRN**
Provides antioxidant and soothing care while supporting collagen production and skin regeneration to help strengthen the skin barrier.
- 2. Marine Bedrock Water**
Rich in marine minerals to help calm the skin and restore its natural balance.
- 3. 5 Types of Hyaluronic Acid Complex**
A multi-molecular complex that delivers layered hydration to both the surface and deeper layers of the skin for long-lasting moisture.
- 4. Ceramide NP & Centella Asiatica Extract**
Help soothe sensitive skin and strengthen the skin barrier.
- 5. Witch Hazel Water**
Helps refine the look of pores and control excess sebum for a smoother complexion.

Real feedback from consumers

Cream

hajw** ★★★★★**
It's incredibly moisturizing. When I apply a generous amount before bed, I can feel my skin becoming more resilient from the moment I wash my face the next day.

I highly recommend this item to those looking for a moisturizing cream or collagen cream. As soon as I applied it, it felt so hydrating and after using it for a few days, my acne calmed down significantly and I could feel my skin becoming cleaner and brighter! It exceeded my expectations!

cute*** ★★★★★**
I have sensitive skin with chronic dermatitis, so I tried purchasing a hot spring water cosmetic product that was recommended. I really like how it applies to the skin. It has a soft and tight texture and after applying it is absorbed smoothly and moistly into the face. It also works well with makeup. I'm very satisfied and plan to continue using it.

Mist

dbay* ★★★★★**
I have a lot of heat in my face, so a mist is essential for me. This is the first time I've come across a mist that's this moisturizing! The hydrating effect is no joke, and if you spray it on after your makeup, the dewy effect is amazing! I'm really satisfied.

wwin** ★★★★★**
It's one of the best I've ever used! It provides long-lasting hydration and gives a dewy effect. After washing and spraying it, my skin feels completely moisturized even without applying anything else. I highly recommend it!

toge*** ★★★★★**
It seems like my skin has been protected and improved thanks to the anti-oxidant and calmed down effects, which have helped repair the damage suffered over time. I highly recommend it as it seems to have boosted my skin's immunity, all thanks to Lamool.

The Soothing Power of the Sea Premium Marine Skincare for Calm, Radiant Skin

Daily Care

- ① After cleansing, spray the mist generously all over your face as the first step of your skincare routine.
- ② Gently massage an appropriate amount of cream all over your face and neck.
- ③ Spray a mist once more at the final stage of your skincare or makeup routine.

* The rich, high-density silk texture of the cream, made not from oil but 100% pure collagen and sea algae, is quickly absorbed into the skin, allowing you to use it comfortably without stickiness throughout all four seasons.

Pore Care

Frequently spray mist on hot and dry areas to cool down the skin and replenish moisture.

Night Care

After washing your face in the evening, apply a thick layer of cream all over your face and neck. Use it as an intensive sleeping mask/night cream to deeply moisturize and restore the skin barrier overnight.
