

NOAV

Natural Organic Allure Vegan

A premium vegan skincare brand that embraces a 'valuable lifestyle'.

Unique Thinking, Unique Skin

To begin and end the day with feeling of "More special, More beautiful"

NOAV constantly listens to the needs of the skin, deliberates on new approaches and proposes vegan skincare solutions tailored to various lifestyles and changing skin conditions.

Certified Manufacturing & Scalable Production

- ISO & GMP certified manufacturing partners in Korea
- Scalable production capacity for global distribution
- Advanced R&D and formulation capabilities

Since 2021

“ NOAV was created as reliable ”
cosmetic brand regardless of the trends.

[CEO _ CHO HYE IN]

- Bachelor of Cosmetic Engineering, Daegu Haany University
- Chairperson, Gyeongsangbuk-do Youth CEO Committee
- Certified Cosmetic Responsible Seller
(Korea Ministry of Food and Drug Safety)

I Quality

We don't chase trends.

Every NOAV product begins with globally sourced natural ingredients, carefully selected for their proven efficacy on sensitive and aging skin. After extensive research tests and rigorous clinical trials, we deliver only what meets our uncompromising standards for safety and performance.

I Satisfactory Effect

We deliver clinically proven vegan anti-aging solutions, built on NOAV's proprietary formulation philosophy that prioritizes transparency, innovation, and plant-based efficacy.

I High Perfection

We don't focus on releasing products quickly or in large quantities. Instead, we present only highly refined products that truly meet our customers' needs and expectations.

I Cruelty free / Veganism

We develop 100% vegan skincare products, free from animal-derived ingredients and animal testing. We offer vegan skincare solutions powered by the efficacy of plant-derived ingredients, designed to address a wide range of skin concerns.

NOAV

- 2021

Foundation & Research Initiation

 - Founded NOAV Co., Ltd. (Biz. Reg. No. 218-63-00571)
 - Licensed for cosmetic manufacturing and distribution
 - Secured trademark registration (No. 40-2061627)
 - Initiated R&D on patented acne-care ingredient GESOLZA
 - MOU signed with THEONE COSMETIC CO.,LTD _ Cosmetics factory
 - Developed natural toner pads with zero synthetic chemicals
 - Launched on Hwaha
- 2022

Brand Launch & Technical Breakthroughs

 - Acquired Korea Vegan Certification (C-299-022)
 - Registered Korea’s first 3D contour toner pad patent (No. 30-1169170)
 - Entered major e-commerce : Coupang, Naver, Kakao
 - Selected by Korea Youth Startup Academy
 - MOU Signed with a freeze-drying technology facility
 - Successfully developed a triple-functional freeze-dried skincare capsule
 - Created mineral ampoules using Neungam hot spring extract
 - Hosted Taobao live with 150K+ viewers
 - Exhibited at COEX International Sourcing Fair
- 2023

Global Expansion & Consumer Validation

 - Raised 1,685% funding on Wadiz
 - Signed export contracts with Canada, Japan, Philippines, Hong Kong
 - Opened pop-ups in Shibuya & Shinjuku, Tokyo
 - Acquired Philippines FDA approval, entered Manila retail
 - Graduated as an Excellent Enterprise from Youth Startup Academy
 - Relocated to Gyeongbuk Techno Park
 - Participated in Incheon International Beauty & Healthcare Expo
- 2024

Global Presence & R&D Advancement

 - Signed export contract with Mongolia
 - Established overseas branch in Thailand (Bangkok)
 - Launched TikTok Shop _ Thailand
 - Established flagship store on Shopee _ Singapore
 - Recognized as “Anti-Aging Focus Company” by Korea Aging Research Institute
 - Initiated R&D for an anti-photoaging sunscreen formulation
 - Showcased at COSMOPROF ASEAN
 - Entered Gangnam dermatology clinics with NOAV toner pads

2-STEP VEGAN TONER PAD

A customized, time-based pad care system
that provides care tailored to your skin's condition in the morning and at night.

- MORNING BLANCING TONER PAD
- NIGHT REPAIR CLEAR PAD

Recommended product
by numerous Korean beauty YouTubers

Toner Pack Optimization _

PATENTED CURVE-FIT DESIGN

Breaks away from the limits of traditional round pads
For a perfect fit on curved areas like the under-eye, jawline, and nose
delivering targeted care.

REGULAR PAD

NOAV PAD

MORNING BALANCING TONER PAD

[OEKO-TEX 1 grad - Non-irritating Microcell Fabric]
A soothing toner pad that helps calm the skin and replenish hydration while caring for pores and blemishes, leaving the skin clear, smooth, and naturally radiant.

- Hypoallergenic Tested
- Improve Blemishes
- Triple Pore Improvement
- NON-IRRITATING TO SKIN

► Key Ingredients

Cypress water 85.9%
Provides refreshing moisture supply and aids in anti-inflammatory and skin soothing properties.

CICA Complex + Herb Complex
It helps reduce skin heat, a major cause of troubles, and quickly soothes reddened skin.

Anti Sebum P *Pore tightening patented ingredient
It helps prevent excessive sebum secretion and aids in minimizing pores.

Gesolza™ (Anti-acne specialized raw materials)
Ingredients with antibacterial and anti-inflammatory properties that help inhibit bacteria-induced acne factors, aiding in the improvement of acne

► Key word

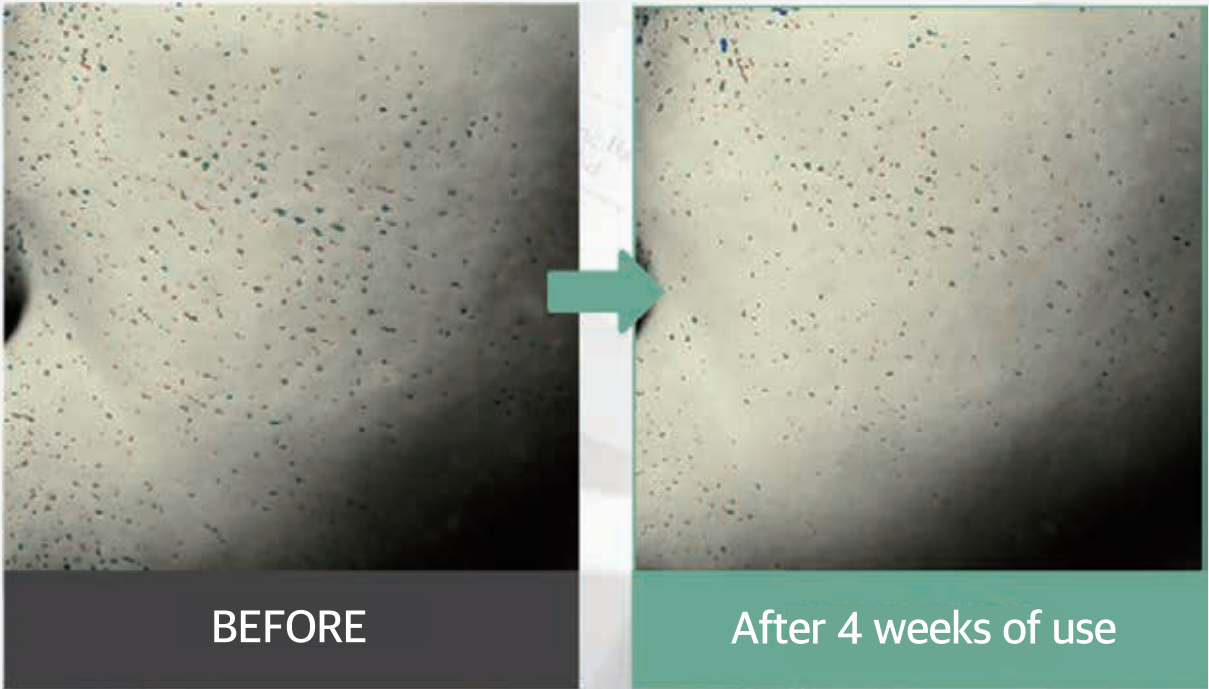

#Refreshing #Moisture Boost #Cooling #Trouble Calming #Pore Tightening

► Recommended skin types

Acne-prone / Dryness / Oily skin / Redness
Heat sensation / Sensitivity

► Clinical Efficacy Evaluation Results

Triple Pore-Tightening Effect
Pore surface area : **124.18%**
Average pore size : **115.42%** improvement
Pore depth : **124.18%**

NIGHT REPAIR CLEAR PAD

[Low-irritation Dual Embossed Vegan Fabric]
A toner pad that gently removes impurities and dead skin cells accumulated in pores while providing hydration and soothing care for skin stressed by external irritants.

- Hypoallergenic Tested

02. PRODUCTS

BEFORE & AFTER _2 STEP TONER PAD

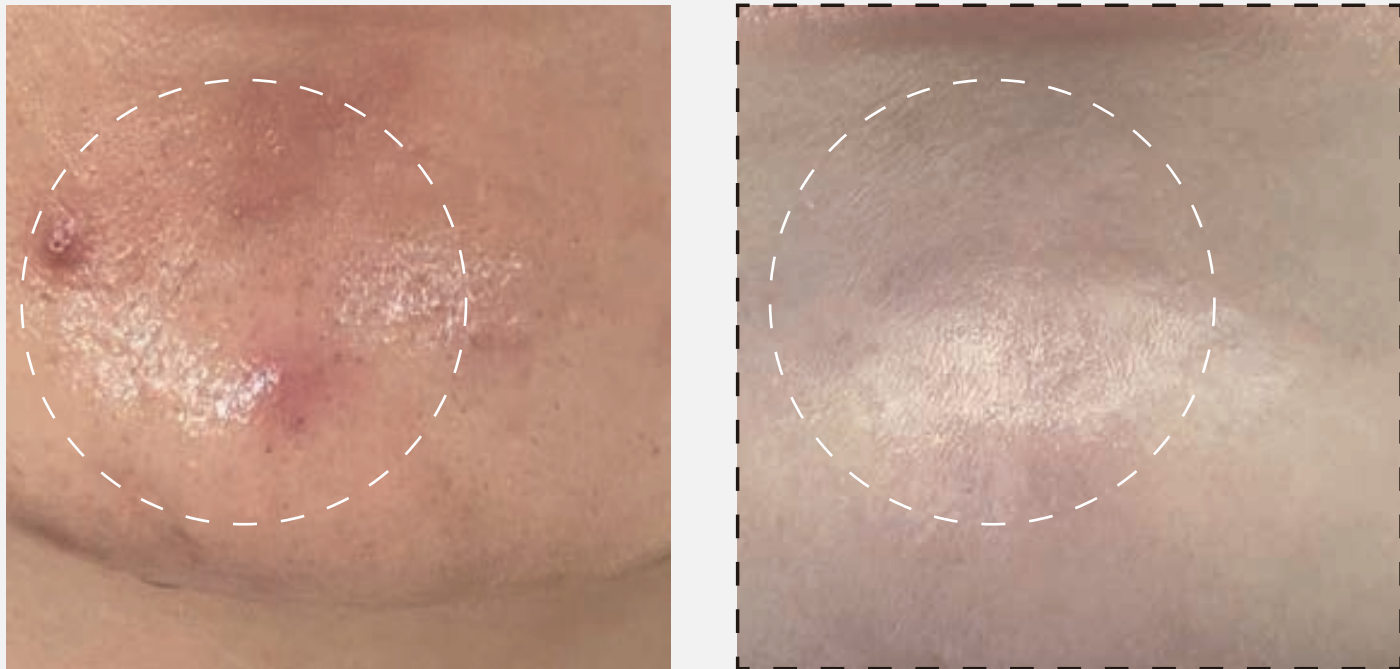

It's so effective for blackhead and dead skin care!
after using NOAV pads morning and night,
I noticed a significant improvement in my skin texture.

[Real Customer ***/20s]

**After a month of use, I saw significant improvement in my painful
and cystic adult acne-prone skin.**
My, once red and uneven, skin tone has brightened significantly!

[Real Customer ***/20s]

**The jawline acne that didn't improve even after visiting dermatologists
has really improved a lot!!ㅠㅠ.**
I especially loved the pads were non-irritating

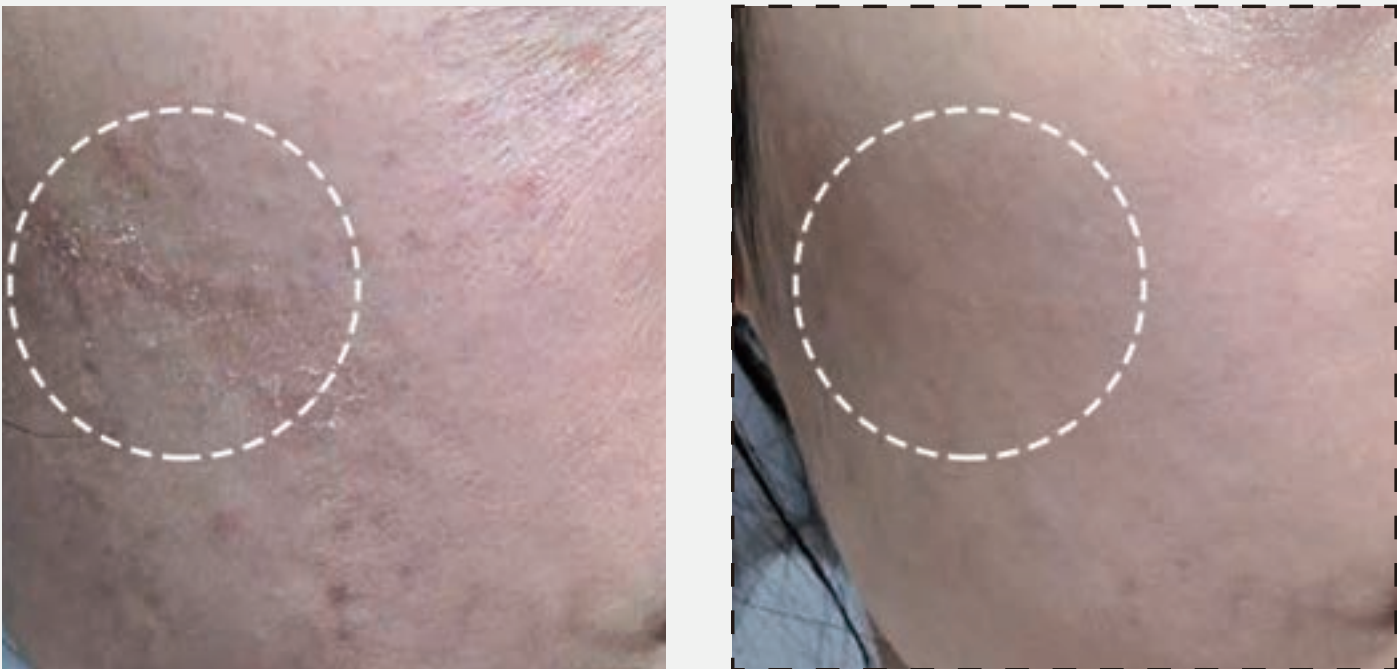

[Real Customer ***/20s]

**It's the best product for tightening pores
and improving rough skin texture**

my pores have visibly reduced, and what's more!
make-up applies so smoothly👍

[Real Customer ***/40s]

**The dry and flaky skin has disappeared,
and my skin feels so much healthier now.**
I think I'll continue repurchasing it regularly!

[Real Customer ***/30s]

**As someone with extremely sensitive, acne-prone skin,
I haven't encountered a product that has improved my skin
as much in such a short period. It's the best!**

[Real Customer ***/30s]

02. PRODUCTS

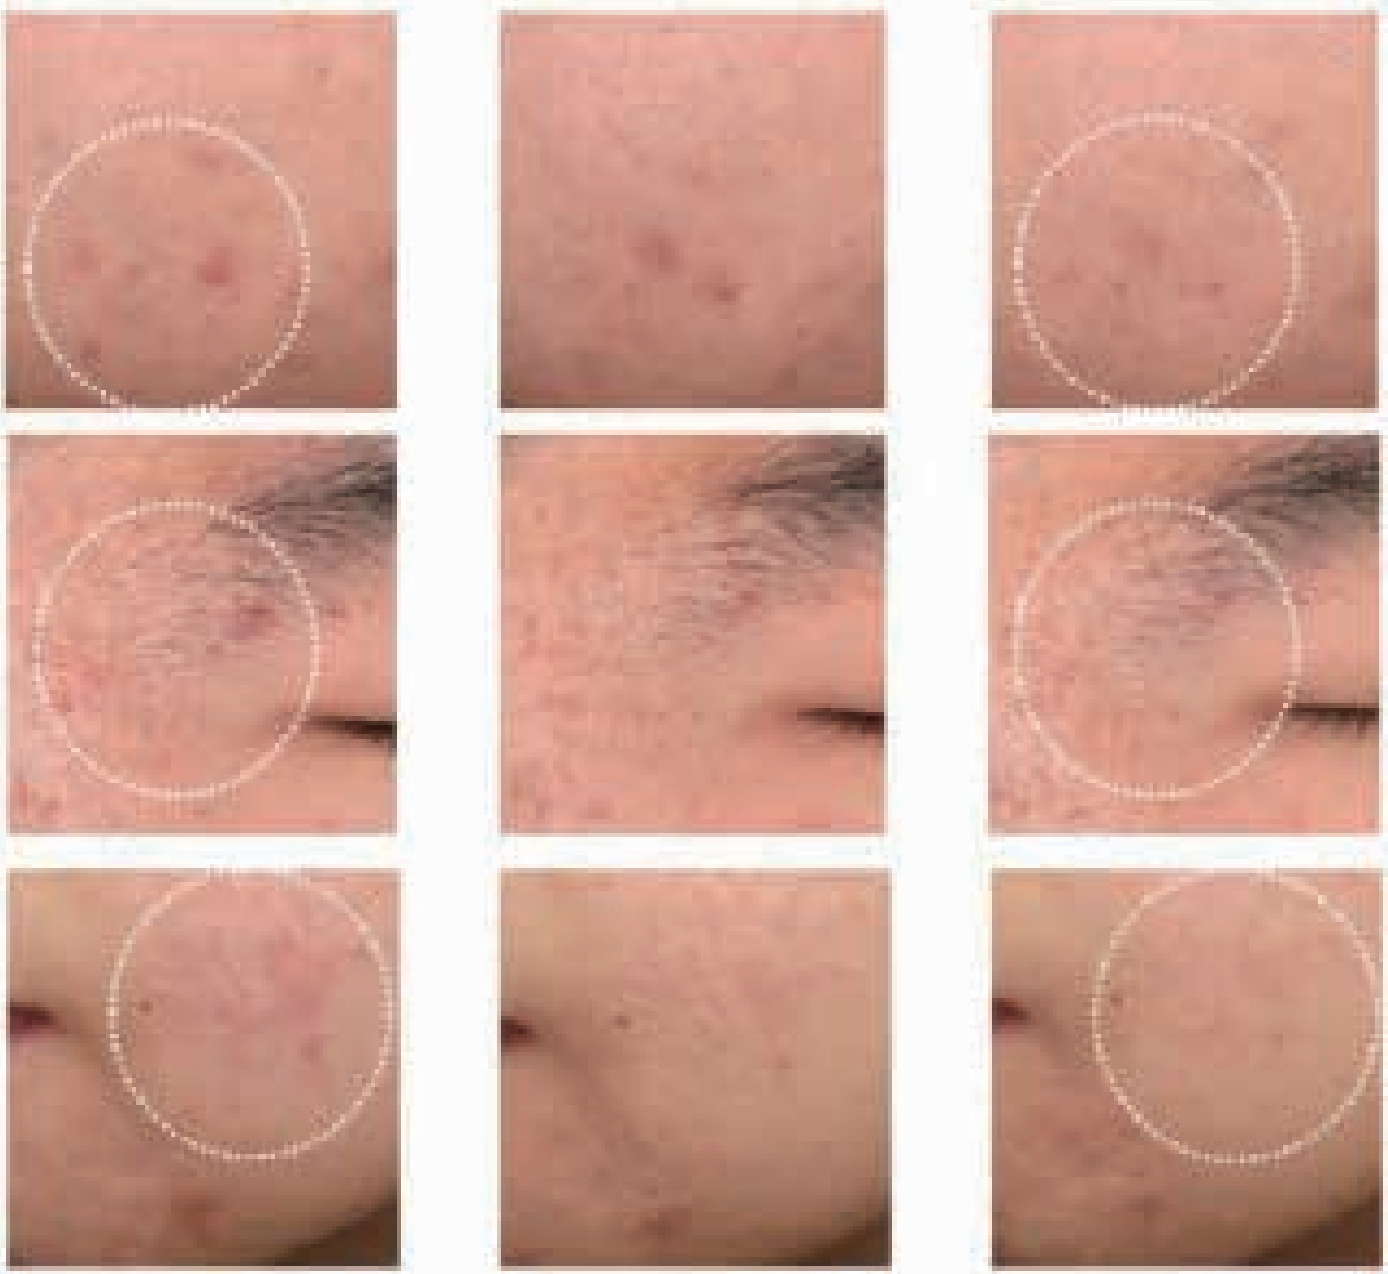

GESOLZAtm 20,000ppm

■ HUMAN APPLICATION TEST FOR ACNE IMPROVEMENT ■ CLINICAL TRIALS FOR ANTI-ACNE EFFICACY

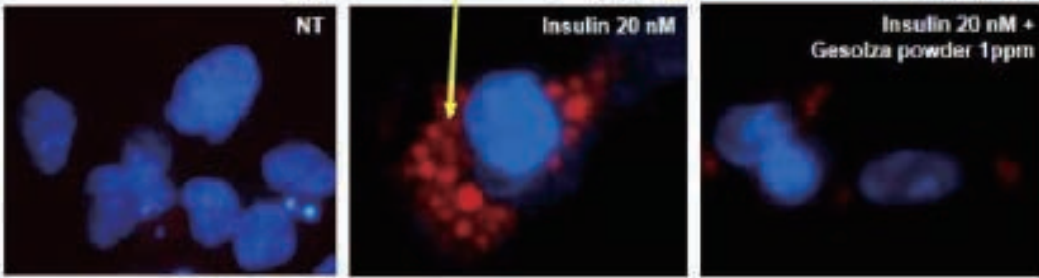

It's focused on solving the root cause of Acne

Contains patent ingredients to suppress sebum + acne-causing bacteria

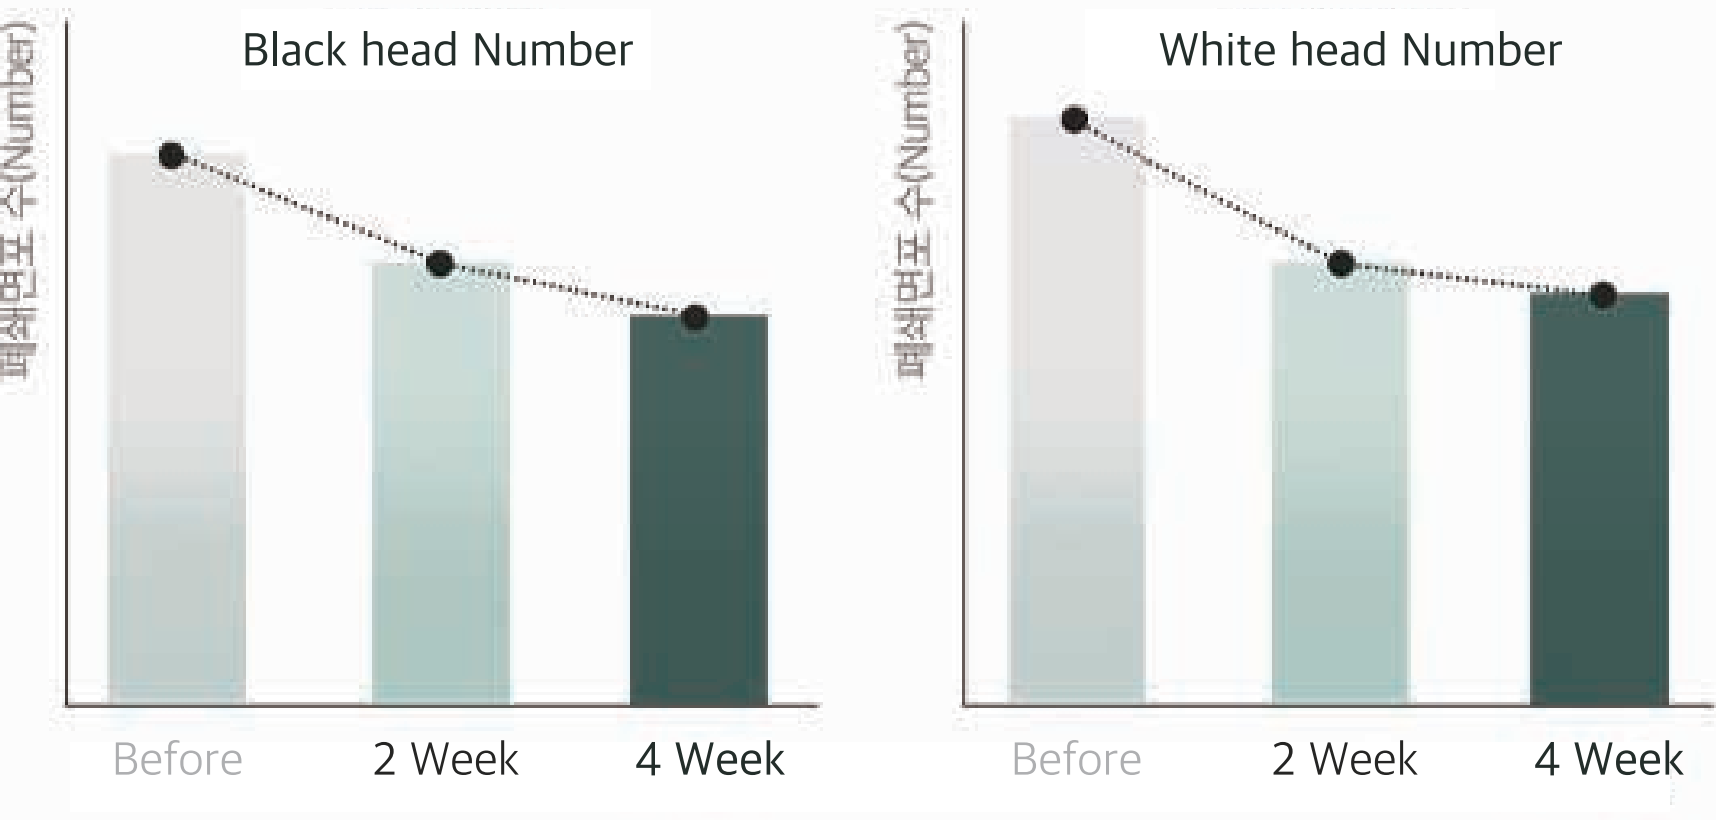

- inhibition of the production of inflammatory factors produced by P. Acnes bacteria
- Suppression of sebum production in Sebocyte
- Antibacterial, antibacterial, and sebum production inhibitory effects

Title	A clinical study of skin oil, sebum and acne for Gesolza™ on human skin		
Test Center	P&K Ltd., Skin Research Center	Test Period	June. 15, 2016 ~ July. 14, 2016
Objective	To evaluate improvement of sebum and acne for Gesolza™ on human skin		
Material	2% Gesolza™ formula (Acnic Soothing Serum)		
Method	Nineteen atopic dermatitis(Grade 1~3) subjects participated in this study. Skin Acne Soothing effect was evaluated by skin oil and skin acne measurement at before treatment (base line) and after 2 week, 4 week treatment. All obtained data analyzed by the paired t-test of SPSS 19.0 package program.		
Conclusion	The test product is considered that it has improvement of sebum and acne on human skin.		

Cell: Human primary sebocyte
Positive control: Insulin

ECTOPANTHENOL SPA AMPOULE

A spa barrier-repair ampoule infused with pure Korean thermal spring water
Experience the radiant, smooth skin glow as if you've just received spa treatment.

ECTOPANTHENOL SPA AMPOULE

A real spa ampoule that delivers instant radiance and deep hydration, helping to strengthen the skin barrier and leave the skin smooth and resilient.

- Hypoallergenic Tested
- 72-hour moisture retention
- Skin Soothing Improvement Tested
- Strengthen the Skin Barrier Improvement Tested

► Key Ingredients

Carbonated hot spring water

Seven minerals and fine carbonated bubbles improve rough skin texture, leaving it moist and smooth.

Ectoin

Improves the skin barrier and keep it hydrated and protected from the sun and pollution, all while locking in that essential moisture for a super-soft feel.

D-Panthenol

Quickly restore the compromised skin barrier and maintain the skin's moisture barrier for an extended period.

Squalane

Plant-based squalane to the rescue! It helps recover damaged skin, keeping it moisturized and silky smooth.

► Key word

BEFORE & AFTER _SPA AMPOULE + BOOSTER SHOT CAPSULE

As the skin texture improves, the tone becomes constant.👍
my skin looks pretty even without the makeup.
People around are asking what I am doing. ^^
[Real Customer ***/30s]

It was a product that made me realize
what it feels like to have hydrated skin.
It doesn't dry out after use and it absorbs right away
It was the best because it finished fresh and not heavy!!
[Real Customer ***/20s]

My husband asked me if I went out to get a Botox all over my face.
It's not sticky at all, but my skin is glowing.
Most of all, I was surprised that
the wrinkles around my eyes that stood out also faded...!
[Real Customer ***/40s]

My skin troubles and redness have calmed down in a week...
It's very effective for soothing the skin
even if you only use SPA ampoule! 🥹💚
[Real Customer ***/20s]

The rough feeling disappeared and my face really brightened up!
And skin texture is refreshingly filled with a subtle glow.
Existing third-party ampoules had a strong feeling of being sticky,,
BUT, NOAV is different!
[Real Customer ***/40s]

It's a typical 40+ year old skin
full of dryness and blemishes no matter what I applied.
After using the Real vitamin Booster ampoule, my blemishes got lighter.
I've been hearing that my skin has cleared up lately
[Real Customer ***/40s]
